

Massive 425 house and gypsy/traveller site development YOU and YOUR street will be adversely impacted in some way!

South of Coopers Lane Road.

- Increased traffic
- Increased congestion
- Increased pollution
- Increased noise
- Loss of Green belt
- Loss of hedgerows
- Loss of wildlife
- Likely increase in accidents
- Expansion of Oakmere school
- Public services under even more strain
- New road connecting to Chace Avenue

The new road will connect Coopers Lane Road to Chace Avenue via the new housing estate creating a **rat run** for people avoiding the Causeway traffic lights.

Please spread the word by telling your neighbours.

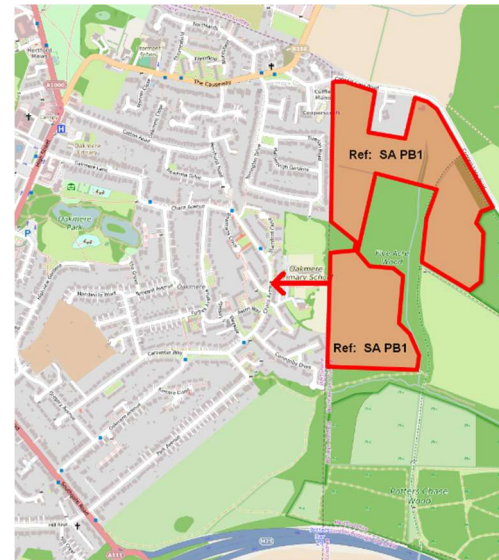

Visit www.savecooperslane.org (scan QR code) for more information, guidance and links to submit your objection. You can also register to help us to fight this.

This is a Welwyn Hatfield Council plan. Potters Bar residents will suffer due to housing plans from another council.
